Re: *U.S. v. Dion Gregory*, 18-CR-448 (VM)

Dear Judge Marrero:

We represent Mr. Dion Gregory in the above-referenced action. We write with a status update on Mr. Gregory's supervised release and to request that the conference currently scheduled for May 26 at 11:00 a.m. be adjourned for 60 days. The Government and all branches of the United States Probation involved here consent to the request.

Since the last conference, Mr. Gregory's supervision has been transferred to the EDNY. United States Probation Officer for the Eastern District of New York Ewilina Zajkowski informs us that there are no compliance concerns regarding Mr. Gregory. Mr. Gregory was recently laid off from his construction job and had his application for a TLC license denied due to his federal conviction. Fortunately, USPO Zajkowski will provide him with a copy of a certificate of relief application so that he may reapply for the license, and Mr. Gregory has been offered a position at another construction company and expects to start this week.

Given this update, we request an adjournment of the upcoming conference for 60 days.

Thank you for your consideration.

Respectfully submitted,

/s/
